ELEVATION DOODLES

Health tested, ethically raised, personality evaluated.

Raised with purpose. Loved for life.

ISEABAIL x AUGUSTUS
MINI GOLDENDOODLE LITTER
VOLHARD TESTED 10/23/2026 - AGE 7 WEEKS

OLIVIA

The Bold Adventurer

Confident | Outgoing | Adventurous | Energetic | Driven

PERSONALITY

Olivia is the bold adventurer of the litter. She enthusiastically approaches people and new experiences and tends to investigate rather than retreat. She showed strong social attraction, very confident responses to novelty, and the litter's strongest object/retrieve drive.

ACTIVE / EXPERIENCED / PERFORMANCE

STRENGTHS

Exceptional confidence; high engagement; adventurous; strong play/object drive; enthusiastic learner; excellent potential for advanced training and dog sports.

GROWTH AREAS

Impulse control, polite greetings, appropriate mouth behavior, and learning how to settle. Her confidence and drive will benefit from consistent boundaries and plenty of mental enrichment.

BEST-FIT HOME

Best for an active or experienced household that enjoys training and wants a dog to participate in daily life. Strong prospect for obedience, agility, hiking, sports, or other advanced training.

ABOUT THIS EVALUATION

Volhard testing is a snapshot of natural responses at seven weeks, not a guarantee of adult temperament. Genetics, socialization, training, environment, and life experience all influence development.
